

California Ambulance Association Webinar

Wednesday, April 10th, 2019

10:00am – 11:00am

Speaker(s): **Felicia Sze**, J.D., M.P.H. - Athene Law - the attorney who wrote the law and who has been working closely with DHCS and CMS to get this program up and running

Donna Hankins, American Ambulance - CAA's chairperson of Payer Issues Committee and one of the most knowledgeable people in California on reimbursement.

Description: **GEMT-QAF Update**

Get the latest information about the GEMT-QAF program! The ambulance industry is on the cusp of getting greatly improved Medi-Cal reimbursement for specific types of transports; some 25+years in the making. Dial in to learn when the fee/tax payments are due, when and what the data submission requirements are; and most importantly when the add-on payments begin.

Cost: Free for all ambulance providers in California. The CAA is opening this webinar to all companies because of the importance of this topic and the information. However, pre-registration is required; please join us.
